Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the **La Puente Activity Center** in fiscal year 2024.

The entity to receive funding for this project is the **City of La Puente**, located at **15900 E. Main St., La Puente, CA 91744**.

The funding would be used for the construction of a new 2,340 square foot multipurpose activity center building with a 2,400 square foot covered patio area, concrete volleyball/badminton court, and rock-climbing wall element. Currently, the city lacks functional use of a large open floor plan facility to accommodate youth sports, fitness classes, clubs, community meetings, workshops, and larger events for seniors. The project is an appropriate use of taxpayer funds because the proposed facility will improve resident services and provides for a large area to hold resource and job fairs for small businesses, veterans, and health care providers.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Grace F. Napolitano
Member of Congress
