Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the **San Dimas Avenue and Puddingstone Drive Bicycle and Pedestrian Improvement Project** in fiscal year 2024.

The entity to receive funding for this project is the **City of San Dimas**, located at **245 E. Bonita Ave., San Dimas, CA 91773**.

The funding would be used for a series of multimodal and active transportation improvements, including striped bike lanes, improved lighting and landscaping, ADA compliant access ramps, pedestrian crossing enhancements, sidewalk improvements and repairs as well as bicycle infrastructure. This project is an appropriate use of taxpayer funds because it will improve safety and provide alternate modes of connection from a new light rail station to a major regional recreation facility, amusement park, and employment areas. These sites provide recreation and employment opportunities for rail riders and residents alike.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Grace F. Napolitano".
