Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the **Cameron Avenue Complete Streets Project** in fiscal year 2024.

The entity to receive funding for this project is the **City of West Covina**, located at **1444 W. Garvey Ave. South, West Covina, CA 91790**.

The funding would be used for improving a vital city corridor by including complete streets elements such as pedestrian accessibility improvements (sidewalks, driveway approaches, curbs and gutters, pedestrian ramps), raised center medians, street lighting, landscaping, pavement rehabilitation, wayfinding signs, striping, street furniture (benches, trash receptacles, pedestrian-scale lighting, monument signage), and related improvements. The project is an appropriate use of taxpayer funds because improvements will enhance safety conditions at intersection locations, increase the overall safety and mobility of non-motorized users, and will transform a major arterial within the city into a complete street by providing increased access to schools, businesses, and city services.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Grace F. Napolitano
Member of Congress
