April 29, 2022

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the **Covina Metrolink Access and Connectivity Project** in fiscal year 2023.

The entity to receive funding for this project is the **City of Covina**, located at **125 East College Street, Covina, CA 91723**.

The funding would be used for the Covina Metrolink Access and Connectivity Project, which will provide pedestrians and bicyclists with direct access from the City's downtown core and transit-oriented development to the Metrolink Regional Rail Station, public recreational, and library facilities. This project will consist of site acquisition, design, and construction of a pedestrian and bicycle bridge spanning the rail right-of-way, installation of landscaped walkways/parkways, pedestrian solar lighting, a bike-share facility, and digital information and wayfinding kiosks.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Grace F. Napolitano
Member of Congress
