Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the **Arrow Highway Street Improvement Project from West City Limit to East City Limit** in fiscal year 2023.

The entity to receive funding for this project is the **City of San Dimas**, located at **245 East Bonita Avenue, San Dimas, CA 91773**.

The funding would be used for asphalt pavement reconstruction and rehabilitation, installation of ADA curb ramps, traffic signal improvements, replacement of concrete sidewalk, replacement of curb and gutter, and pavement marking and striping, and other safety enhancements to Arrow Highway. Arrow Highway is maintained by the City of San Dimas and is a major arterial of regional significance. This project will benefit residents, commuters, commercial vehicles, emergency vehicles, and pedestrians as these improvements will result in a quieter street with longer pavement life, increased safety and accessibility for pedestrians, and reduced delays.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Grace F. Napolitano
