Napolitano Fights to Protect Social Security, Medicare, and Medicaid

Rep. Grace F. Napolitano has fought to protect Social Security, Medicare, and Medicaid benefits during the recent debates on budget cuts in Washington, D.C. “Seniors and working families are still struggling in this economy, and we cannot afford to make deep cuts to the Medicare, Medicaid, and Social Security benefits they rely on,” she said. Napolitano has:

• Voted against turning Medicare into a voucher program
• Voted against the debt-ceiling package that could cut Medicare
• Voted to boost Medicaid funding for families and seniors
• Voted for a cost-of-living-adjustment payment for Social Security
• Joined 46 other Members of Congress on a letter pledging to protect Social Security, Medicare, and Medicaid benefits from cuts

Napolitano Hosts Job Fair

Rep. Grace F. Napolitano hosted a free job fair with Norwalk EDD and 95+ employers to help veterans and the unemployed. More than 500 people from the San Gabriel Valley came for job interviews, resume workshops, free haircuts, and health screenings.

“I just graduated from college and it’s hard for me to get a job,” said Carlton, a fair attendee. “This is a great event, a lot of companies out here – so far so good.”

“We must do everything we can to assist the many qualified and hard-working people who are out of work in this economy,” Napolitano said.

Napolitano has supported federal funding that saved the jobs of local teachers, firefighters, and policemen. She is also a supporter of the American Jobs Act and of creating jobs by building transportation and infrastructure.
