Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Mt. San Antonio Community College (Mt. SAC) in fiscal year 2022.

The entity to receive funding for this project is Short-Term Apprenticeship and Vocational Employment Program for Healthcare Related Industries at 1100 N. Grand Ave., Walnut, CA 91789

The funding would be for developing pre-apprenticeships and apprenticeships in short-term vocational programs leading to immediate employment and career ladders in high demand health care related careers, including first responders, and technical workers, such as pharmacy and medical technicians. The demand for trained healthcare workers has never been so urgent, particularly as communities seek to recover from the economic downturn due to COVID-19.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Grace F. Napolitano".
