April 30, 2021

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Valley County Water District in fiscal year 2022.

The entity to receive funding for this project is Valley County Water District, Drinking Water Reservoirs at 14521 Ramona Blvd, Baldwin Park, CA 91706

The funding would be for the proposed "Nixon Expansion Project" includes the construction of two (2), 2.5 million gallon reservoirs. The construction of two (2) 2.5 million gallon reservoirs will help with supply management and provide increased fire and earthquake protection. These proposed reservoirs have the storage capacity to hold enough water to serve the households and businesses within the VCWD service area. The proposed project, along with the newly constructed booster pump station will allow for uninterrupted water service and fire protection in a wildfire event or major earthquake.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Grace F. Napolitano".
